Rymal Rd East, Hamilton ON L0R 1P0**

## **Glanbrook Community Scholarship**

*“supporting our youth, cultivating our future.”*

### **About the award:**

In an effort to enrich the well-being of this community; Hamilton Back Clinic has founded the Glanbrook Community Scholarship. This scholarship will be comprised of a series of \$500 awards presented to selected students entering their first year of college or university level full-time studies. To be eligible, the applicants must live in the Glanbrook-Stoney Creek mountain area. Applicants will submit a short essay (on a topic yet to be announced). The essay will be graded by an independent panel made up of educators and volunteers. This panel will use a standardized grading format to ensure objectivity among all submitted material. The winners will be announced in June 2009.

Hamilton Back Clinic will provide two \$500 awards on an annual basis. Residents and local businesses have also expressed interest in donating to this cause. **To accommodate those who wish to contribute, a bank account will be setup in trust at the local Scotiabank located at 2250 Rymal Road East in Hannon.** The number of scholarships granted will increase depending on the amount of money donated by the community.

### **Promoting the event:**

This initiative will be promoted in the local newspapers (Glanbrook Gazette, Stoney Creek News) to make students entering post-secondary studies aware of this opportunity. While at the same time informing the public how and where they can make their contribution. Questions can be emailed to: [glanbrookscholarships@hotmail.com](mailto:glanbrookscholarships@hotmail.com).

The guidance offices of the local high schools will be notified via mail so they can post the scholarship opportunity in their schools. This letter will be followed up with a call to answer any questions they may have about the award.

Thank you for taking the time to assist us in this endeavour. I look forward to meeting with you.

Dr. Anthony J. Lombardi
